

# **WG3 Status Report to the 10<sup>th</sup> NEAOSS Promotion Forum**

Study on Standardization and Certification  
Working Group of NEA OSS Promotion Forum

Xi'an, China, 2011-10-18

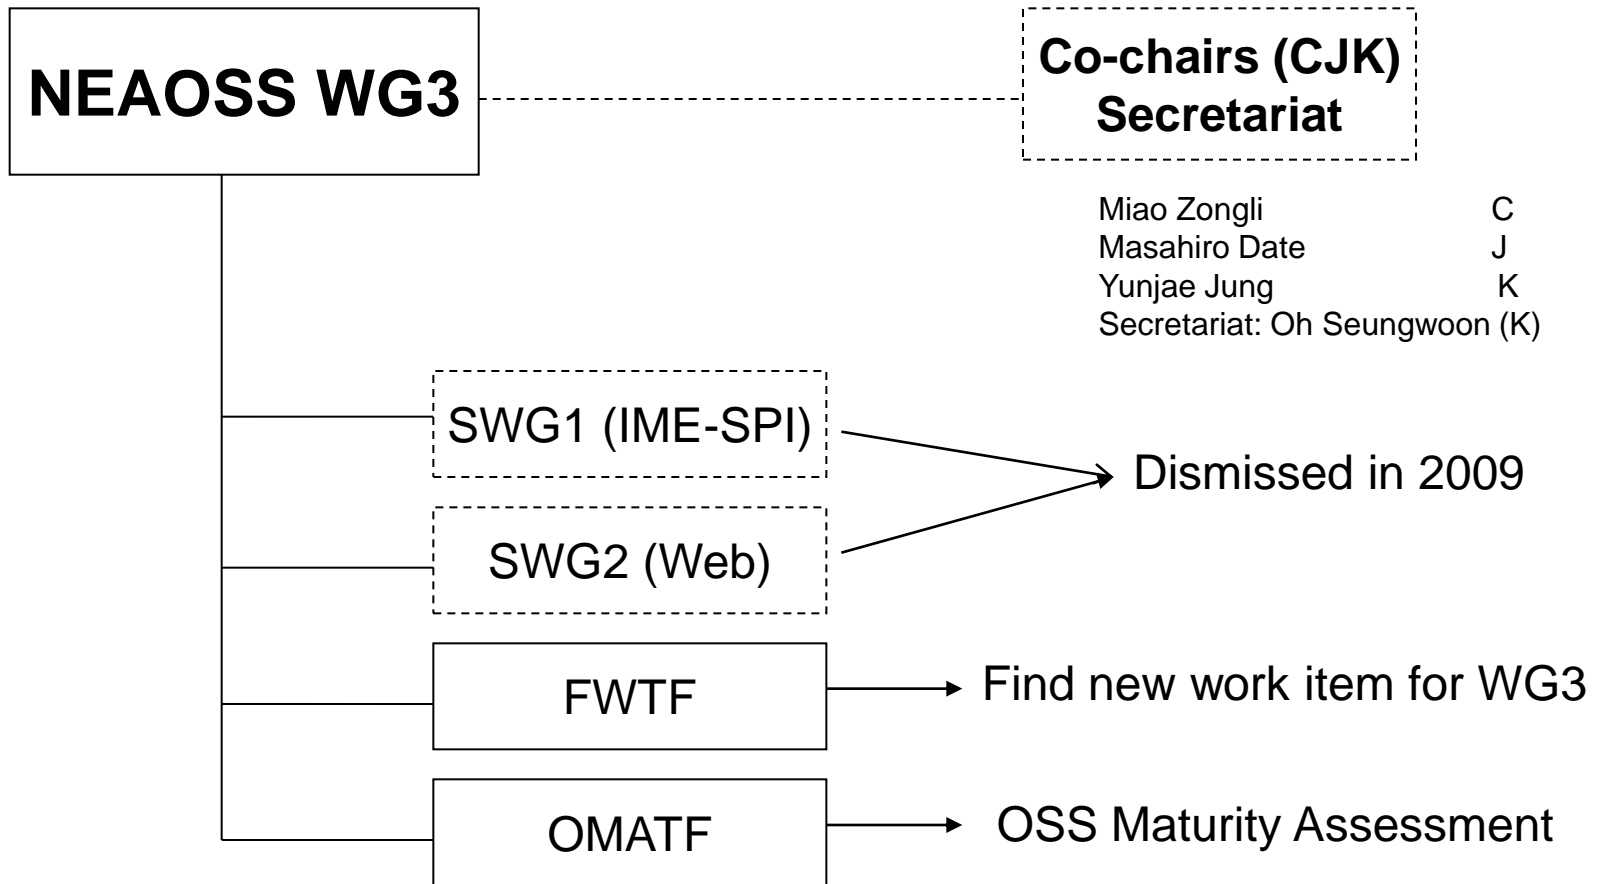

# Role of WG3

NEAOSS Forum formed

“WG3: Standardization and Certification Study” in order to study

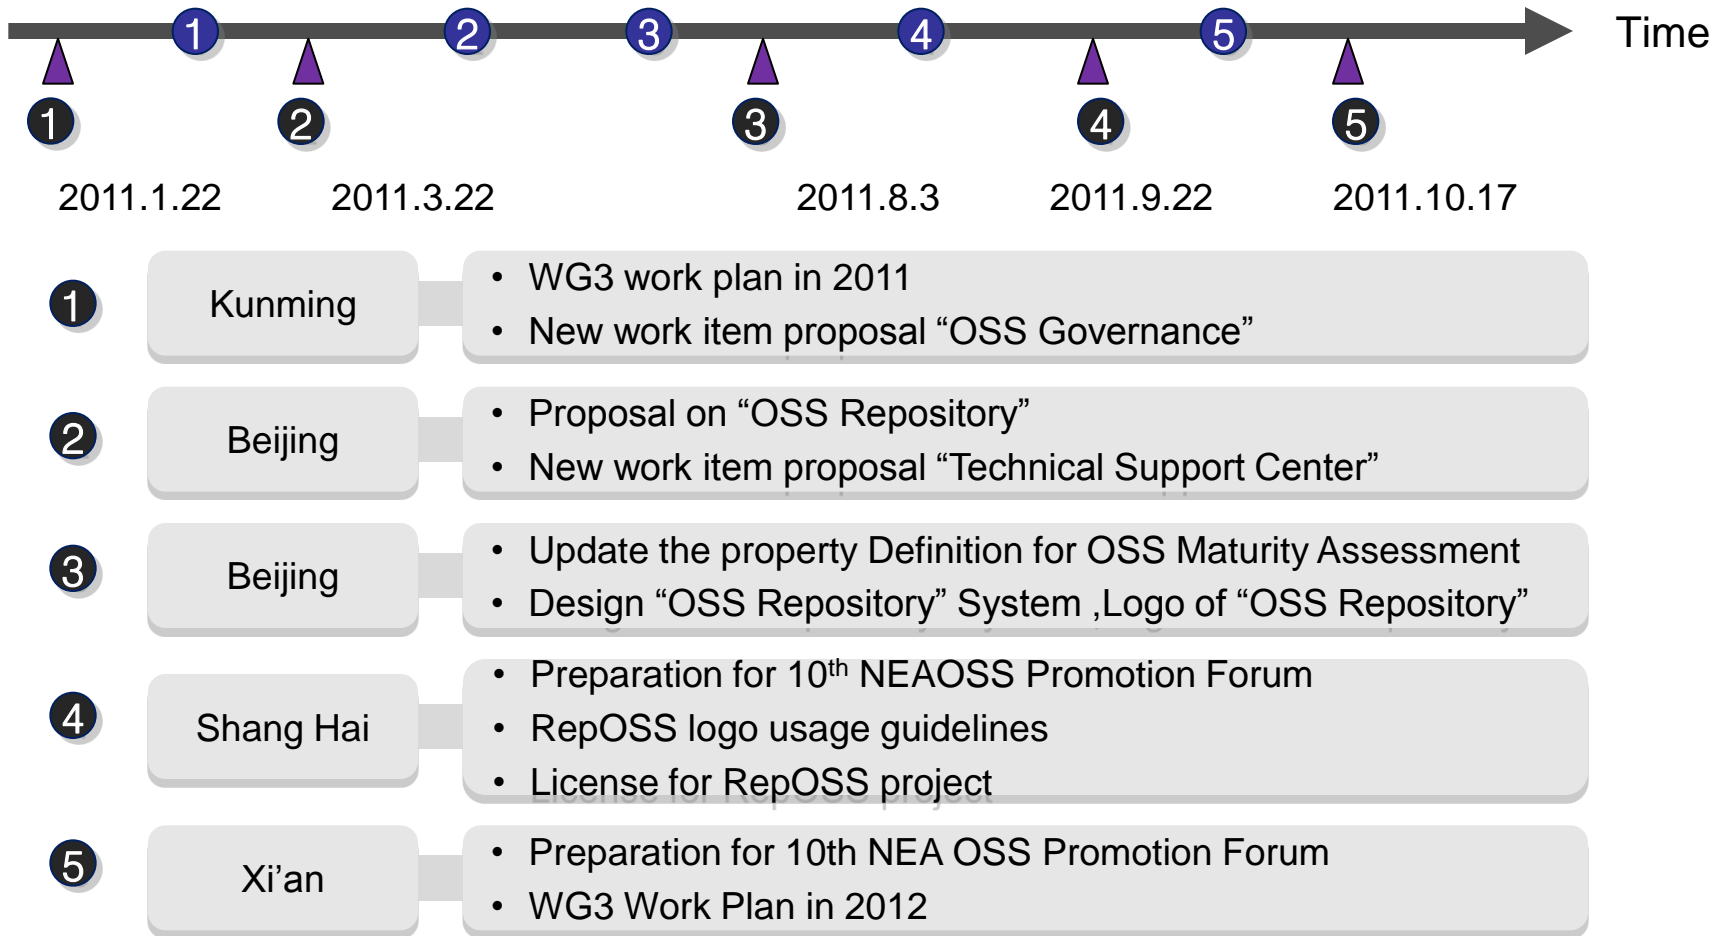

Open Source Software standardization and certification in July 2004

# WG3 structure and Officers

Note: All activities/decisions are per NEAOSS WG3 directives

# Recent Meeting Activities

**N** 5 Teleconferences had been held in 2011.

# OSS Maturity Assessment

**Goal:** To promote OSS adoption and application by providing users and software service providers with a practical reference

## Steps

### Categorization

- Service categorization (5)
- OSS classification

### Selection

- Selection Criteria
- Elimination Criteria
- Candidate selection (396)

### Collection

- Properties definition (89)
- Property collection

### Evaluation

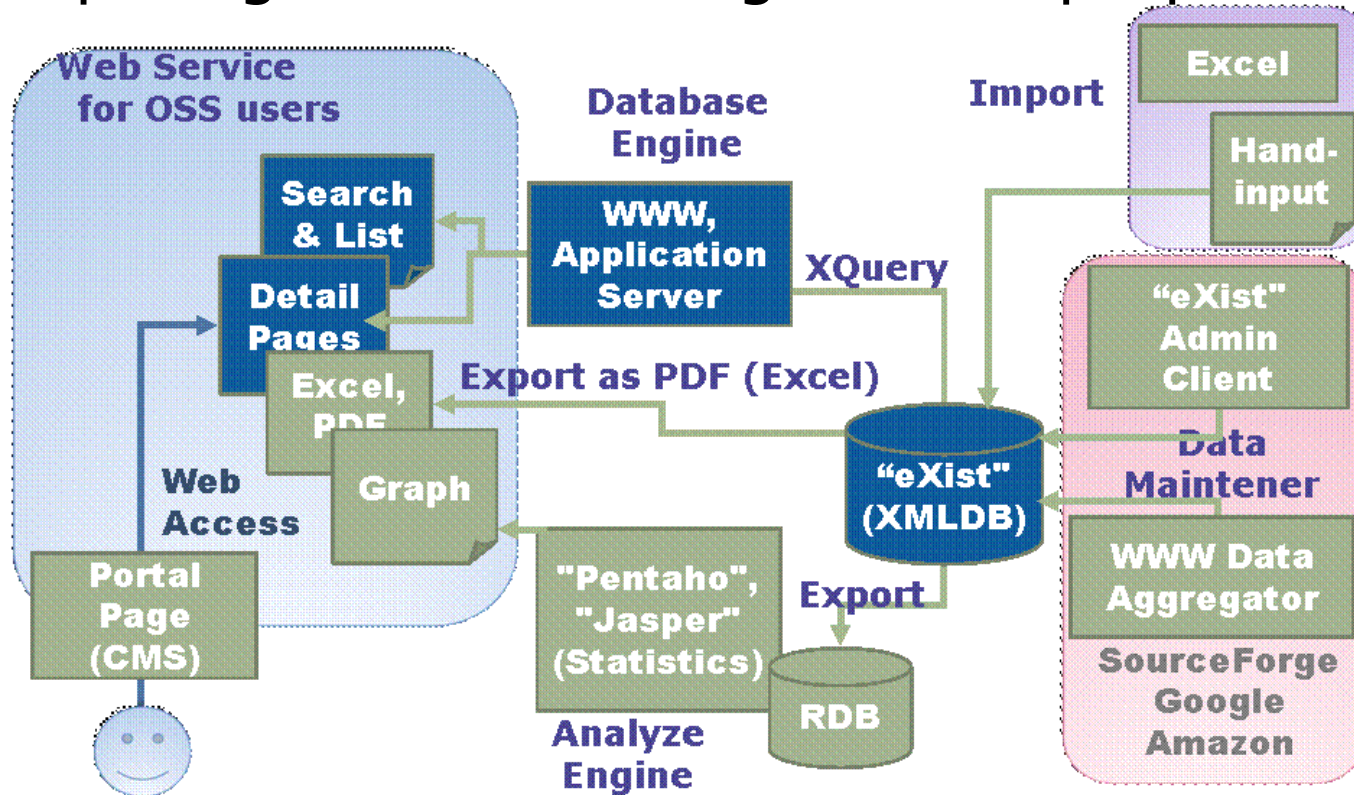

- Property weighting
- Scoring

**Achievements:** About 220 OSS has been assessed  
2010~2011

# OSS Repository

- Goal: To measure the quality of OSS by comparing and evaluating various properties

- The RepOSS logo usage guidelines
- Licenses for the RepOSS project
- OSS Repository will be published in April, 2012

# New Proposed Work Items

## 1) OSS Governance

- Goal: To build effective and systematic management that covers overall OSS life cycle, to maximize OSS usage and minimize OSS risk
  - Establish and Standardize OSS License Management Process
  - Develop license identification tool
  - Publish guidelines for license compliance and resolutions

## 2) Technical Support Center

- Goal: To provide technical support for OSS end-users
  - Framework for how to establish "technical support center"
  - Online based, basic level, no charge (free)
  - Only for certified and standardized OSS

# Work Plan of WG3 in 2012

- **Continue to assess additional 180 OSSs or more.**
- **Publish the RepOSS system**
- **Study feasibilities of “OSS Governance” and “Technical Support Center”**
- **Continue FWTF work to find candidate projects**
- **Promote the application of WG3 achievements in CJK.**

Thank you very much!
